"If I Can't Take You with Me"
Capo 1

Intro
G D G

G D G
Since I can remember, you're all I know
G D G
From the summers to winters, through laughter and woe
G C(9) G
Well my memory's fading and my heart it beats slow
G D G
But if I can't take you with me, then I just won't go.

D C(9) G
Every step of my life, I've walked them with you
D C(9) G
As it comes to end, there's one left to do
G C(9) G
We all face the river and cross it alone
G D G
But if I can't take you with me, then I just won't go.

Seems I've spent my whole life, with not much to show
But the love I have for you, that continues to grow
Well the sun is setting and the wind she won't blow
and if I can't take you with me, then I just won't go

Chorus

Every step of my life, I've walked them with you
As it comes to end, there's one left to do
We all face the river, and cross it alone
But if I can't take you with me, then I just won't go.

Chorus
